

CORE VALUES OF WELTON ACADEMY

**WE BELIEVE IN A FREEDOM WORTH DYING FOR.
OUR MISSION IS TO LIBERATE AND EQUIP CHRISTIANS
TO LIVE THE NEW COVENANT LIFESTYLE.**

OUR PEOPLE

Those that consider themselves "our people," are hungry for truth, not just doctrine. They believe disagreeing is acceptable to get to the truth. They are willing to change their thinking and be flexible. They are willing to rebel against the status quo or leave their comfort zone to pursue truth and freedom. If you agree, then you are one of Our People.

FREEDOM

We believe that Jesus died to give us freedom; therefore freedom should be valued and guarded. Everything we teach is intended to bring freedom through truth. Also, "where the Spirit of the Lord is, there is freedom;" so our team believes that where I am, there is complete freedom. I carry a zone of freedom.

INVESTING

Investing is long-term thinking. This impacts every aspect of life. Although it may cost more, buying quality only hurts you once. It is better to do something right the first time rather than to do it twice. We believe that time is an un-renewable resource. There is always more money, but there is not more time. Operating in long-term thinking is king thinking, whereas short-term thinking is slave thinking. *"A Righteous man leaves an inheritance for his children's children."* - Proverbs 13:22

BIBLICAL

We have the highest respect for understanding and applying the Bible correctly. By having Biblical as a value, we have made a commitment to constant growth and change. We are willing to change our thinking, even hundreds or thousands of times.

EMPOWERING OTHERS

We do not believe in the "Man of God, holier than thou, big man on the platform" model of ministry. Empowering others is at the core of everything we do. We believe that real Apostles, Prophets, Evangelists, Pastors and Teachers are first and foremost Equippers and Foot-washers (Eph. 4, John 13). Our heart is to see others step into their New Creation Identity, fullness of freedom and walking out their calling.

RELATIONAL

We hold a high value for being transparent, vulnerable, valuing relationships, and standing up for people. We will be relational leaders and leave a trail of Sons and Daughters behind us, not orphans.

SUPERNATURAL

By understanding the Bible correctly and living according to it, we have a high value for walking in the supernatural. To claim to have a high value for the Bible and not walk in the supernatural is a bizarre form of hypocrisy.
