

OFH Office Cleaning and Disinfecting Services

1. Regular Cleaning, Disinfecting, and Electrostatic Spraying

Price per square foot, \$0.50 / sqft - \$2,995 minimum

This option provides a standard cleaning and electrostatic spray disinfecting. It includes all high touch, visible, and easy to reach surfaces, not exceeding 6' height. Workstation surfaces, cabinet surfaces, private offices, conference rooms, pantry area counters, technology (keyboard, mouse, phone), bathrooms, doorknobs, light switches are all included.

EPA Approved Disinfectant will be applied and wiped down. Finally, Electrostatic Disinfectant Spray will be applied around the entire space.

2. Deep Cleaning, Disinfecting, and Electrostatic Spraying

Price per square foot, \$0.65 / sqft - \$3,495 minimum

This Deep Cleaning option includes the Regular Cleaning, Disinfecting, and Electrostatic Spraying PLUS low touch, not easily visible, and more difficult to reach surfaces. High and low dusting, interior of appliances, underneath seating and surfaces, un-exposed sides of cabinets are all included.

EPA Approved Disinfectant will be applied and wiped down. Finally, Electrostatic Disinfectant Spray will be applied around the entire space.

3. Electrostatic Spraying

Price per square foot, \$0.45 / sqft - \$2,595 minimum

This option is for clients who already have a janitorial/cleaning company providing the cleaning and disinfecting of high and low touch office areas, but not electrostatic spraying technology.

The Electrostatic Sprayer uses positively charged ions with EPA approved disinfectants to spray an even mist wrapping around all surfaces. This technology and method fully disinfect all surfaces and the entire space from floor to ceiling.
