

# IMPORTANT SAFETY NOTICE

## HART CONSUMER PRODUCTS, INC. RECALLS 18-GAUGE 2" BRAD NAILER

The nailer's work piece contact sensor can malfunction allowing a nail to be discharged without first contacting a work surface posing a puncture hazard.

The nailer was sold between April 2021 and September 2021 and can be identified by the model numbers HPNR01, HPNR01B, HPNR01B-SK, or HPNR01BNCA.

Consumers should *immediately* discontinue use of their nailer and return affected units to their nearest Walmart USA retail store for a full refund.
