

Leather fenton&fenton

At Fenton & Fenton, we are passionate about delivering curated interiors with quality crafted furniture and homewares. We design our pieces to stand the test of time. But, to do so, please treat them with a little tender loving care to keep them at their best.

Leather is a natural product characterised by unique colour and markings, and can soften and stretch slightly over time. We recommend wiping leather with a clean, slightly damp cloth on a regular basis to remove any dust and dirt particles and keeping out of direct sunlight and away from heating yents.

CARE & MAINTENANCE

Try these tips:

- Keep it out of direct sun to avoid fading—
 UV rays and leather don't get along too well.
- Keep the piece distanced from fireplaces and heating vents. High temps and humidity can dry leather out.
- Looking dusty? Just grab a clean soft cloth and get to work.
- We recommend you steer clear of wax, polish, soaps and oil leather cleaners. They'll tarnish the finish or discolour the leather.
- For little spots and spills use a dampened, soft white cloth and let it air dry.
- For oil, butter, or grease spills use a clean, dry cloth. Keep water out of this one.
 The spot should naturally sink into the leather and fade away.
- Minor scratches? Just rub them with your finger.
- For thorough cleaning, we suggest taking this piece to a leather specialist only.

WARRANTY CLAIMS & CONTACT

In the instance that you do experience an issue with your Fenton & Fenton piece please contact us on (03) 7066 6707 or hello@fentonandfenton.com.au and our Customer Care team will be in touch.

WARRANTY

Fenton & Fenton will warrant all leather chairs, bar stools & benches for a period of 2 years from the purchase date. This warranty guarantees that the products will be free from faulty workmanship or materials during the original owners warranty period.

All leather claims will be assessed on an individual basis, and where the leather or frame is found to be defective, it will be repaired or replaced at our discretion free of charge during the warranty period, providing the design is still within the current range. Should the design no longer be available, a suitable equivalent replacement or refund will be supplied at the same value as the original purchase price.

Warranty claims will not be accepted for general wear and tear or misuse of the furniture, such as excessive loads, damage sustained during moving or relocating, standing on seats, burns caused by cigarettes, or soiling of leather from foods, drinks or the like.

It is also important to note leather is a natural material, and therefore, colours may vary from hide to hide, and natural blemishes may be visible in the leather. This is not considered a defect in manufacturing, but a by-product of a unique and natural piece.
