

The Power of Science, In The Ease of an Eye Drop™

## Capabilities Statement

Regener-Eyes®'s manufacturer, Regenerative Processing Plant (RPP), has a mission to develop innovative pharmacological and biotechnology solutions that empower physicians and clinicians to provide the best care to our military service members and veterans. RPP manufactures the OTC drug Regener-Eyes®, an FDA-registered and compliant ophthalmic eye drop used to relieve dryness of the eye. Regener-Eyes® is a cost-effective breakthrough treatment option for dry eyes recommended by key opinion leaders throughout the field of ocular medicine. It is championed by optometrists and ophthalmologists alike for its incredible efficacy rates in the management of dry eyes.

## Core Competencies

### Regener-Eyes LITE & PRO

- ✓ Regener-Eyes® Ophthalmic Solution helps increase lubrication and to prevent further irritation of the eye. This helps to relieve dryness of the eye.
- ✓ Regener-Eyes® Ophthalmic Solution has an excellent safety profile.
- ✓ Regener-Eyes® is non-steroidal and preservative free. It helps to protect and relieve dryness of the eye.
- ✓ Each batch of Regener-Eyes® is tested to ensure quality, sterility, and safety.
- ✓ Regener-Eyes® Ophthalmic Solution, can be stored at room temperature until use. Once opened, each bottle can be stored at room temperature and used within 90 days.
- ✓ Regener-Eyes® Ophthalmic Solution, has a shelf life of two (2) years from manufacture date when stored at room temperature.

### Used For Mild to Moderate Dry Eye Patients

### Used For Severe Dry Eye Patients
