

An exclusive collab between CustomFuze®  
and the biggest volleyball brands in the world

## HERE'S WHAT WE KNOW ABOUT YOU

Your club is underserved  
and overlooked.

## HERE'S WHAT WE KNOW ABOUT US

We show up every day to  
build real solutions for you.

## INTRODUCING CFX

An exclusive collaboration between CustomFuze® and  
the biggest volleyball brands in the world.

With this partnership, we solve what no one else can:  
*Guaranteed Availability With Gear You Love*

## We've been working on this since 1995

*Guaranteed Availability with Gear You Love* is hard, but we've figured it out. Here's how:

We use our own brand, CustomFuze®, and manufacture the most important and most difficult products ourselves, which are the jerseys and the warm ups.

We then combine these cornerstone club pieces with big brand essentials that we stock at our HQ. Products such as shorts, socks, knee pads, backpacks and shoes.

When you partner with us, we'll hold that essential inventory in our warehouse *just for you*. Easy to say. Hard to do.

## You commit to us, We commit to you

*The result?* The easiest and most enjoyable way to get the gear you love, on time, under budget, and done correctly. *Guaranteed.*

*"We use All Volleyball for everything in our club including: camp shirts, championship shirts, pro shop gear, coaches gear, and all things club volleyball (jerseys, spandex, shoes, equipment, and more). What we love most is that this company is family owned and genuinely cares about their customers. They have helped Team Pineapple reach new heights and I know they can help you too!"*
