

Dear Supporter,

Thank you for purchasing tea cakes from Grandma Lady Lue Tea Cakes! Your purchase directly supports fundraising efforts for the organization, helping to fund important activities such as school sports, educational programs, and more.

Grandma Lady Lue Tea Cakes, founded in 2023, honors the tradition of my great-great-grandmother, Lue Ridley, who started baking tea cakes in the early 1800s. Today, we proudly offer a variety of flavors like old-fashion'ed, lemon, buttermilk, and peanut butter, while supporting schools, charities, and nonprofit fundraisers.

We appreciate your support in helping us give back to the community!

Warm regards,

Grandma Lady Lue Tea Cakes
