

Dear Reseller:

At Allergy Research Group LLC (“ARG”), we are committed to you—the Resellers that help our company satisfy customer needs and deliver best-in-class health and nutritional supplements. To protect our brands and the integrity of our authorized distribution channels, ARG has implemented an Authorized Reseller Program, effective **September 1, 2020**.

Among other benefits, our Authorized Reseller Program ensures that all sellers of Allergy Research Group® and NutriCology®, Metabolic Maintenance® and MethylPro® products (collectively, the “Products”) understand and take the steps necessary to ensure product quality and provide the excellent customer service that is integral to the reputation of our brands. In addition, our Authorized Reseller Program assists us in identifying and taking action against unauthorized sellers that are harming you, ARG, and consumers through the sale of damaged, diverted, and otherwise poor-quality products.

Your obligations under our Authorized Reseller Program are outlined in the attached **Allergy Research Group LLC Authorized Reseller Policy (“Reseller Policy”)**. Please note that you are expected to comply with the terms of the enclosed Reseller Policy to remain an “Authorized Reseller” of Products. The key features of the Reseller Policy are noted below:

- **Where and To Whom You May Sell Our Products:** The Authorized Reseller Policy requires that you sell Products solely to end users and not to persons or entities who intend to resell our products. You also may not market for sale or ship these products outside of the United States without our prior written consent.
- **Limitations on Online Sales:** The Authorized Reseller Policy restricts the manner in which you may sell Products online. **You are permitted to sell Products online, provided you follow our Online Sales Guidelines and limit online sales to your own proprietary website** unless you have received our separate written consent to sell elsewhere. **You are prohibited from selling Products as a third-party seller on marketplace websites such as Amazon.com and eBay.com without our prior written consent.**
- **Ensuring Product Care and Customer Service:** To ensure customers who purchase our Products have the best experience possible, the Authorized Reseller Policy provides certain steps that you must take to maintain the quality of our Products. The Authorized Reseller Policy also outlines our expectations for the service you must provide to your customers.

Finally, ARG has a unilateral Minimum Advertised Price Policy (“MAP Policy”), which applies to all authorized sellers of Products in the United States. A copy of the MAP Policy, effective on **June 1, 2021**, is attached for your review and reference.

Please direct any questions about the Authorized Reseller Program or the attached documents to MAP@allergyresearchgroup.com

Thank you for your cooperation and assistance.

Sincerely,

Allergy Research Group LLC

By purchasing Products from ARG for retail sale, you (“Reseller”) agree to adhere to the following terms. ARG may review Reseller’s activities for compliance with this Authorized Reseller Policy, and Reseller agrees to cooperate with any such investigation, including, but not limited to, permitting inspection of Reseller’s facilities and records related to the sale of the Products.

1. **Authorized Customers.** Reseller is authorized to sell Products to customers in the United States. A customer is a purchaser of the Products who is the ultimate consumer of the Products and who does not intend to resell the Products to any third party. Reseller shall not sell or transfer Products to any person or entity Reseller knows or has reason to know intends to resell the Products. Reseller shall not sell or transfer a quantity of the Products to any individual greater than that typically purchased for personal use. Reseller shall not sell, ship, invoice, or promote the Products outside the United States of America without ARG’s prior written consent.

ARG reserves the right to terminate, at any time and in its sole discretion, its approval for Reseller to market and sell Products on the Permissible Public Websites, and Reseller must cease all such marketing and sales on the Permissible Public Websites immediately upon notice of such termination. The terms of this Authorized Reseller Policy supersede any prior agreement between ARG and Reseller regarding the sale of the Products online.

3. **Sales Practices.** Reseller shall conduct its business in a reasonable and ethical manner at all times and shall not engage in any deceptive, misleading, or unethical practices or advertising at any time. Reseller shall not make any warranties or representations concerning the Products except as expressly authorized by ARG. Reseller shall represent the Products in a professional manner and refrain from any conduct that is or could be detrimental to the reputation of ARG or the Products.
4. **Product Care, Customer Service, and Other Quality Controls.** Reseller shall comply with the Product Care, Customer Service, and Other Product Quality Guidelines attached hereto as Exhibit B, as may be amended by ARG from time to time.
5. **Intellectual Property.** Reseller acknowledges and agrees that ARG owns all proprietary rights in and to the Allergy Research Group®, NutriCology®, Metabolic Maintenance® and MethylPro® brands, names, logos, trademarks, service marks, trade dress, copyrights, and other intellectual property related to the Products (the “ARG IP”). Reseller is granted a limited, non-exclusive, non-transferable, revocable license to use the ARG IP solely for purposes of marketing and selling the Products as set forth herein. This license will cease upon termination of Reseller’s status as an Authorized Reseller. All goodwill arising from Reseller’s use of the ARG IP shall inure solely to the benefit of ARG. Reseller’s use of the ARG IP shall be in accordance with any guidelines that may be provided by ARG from time to time and must be commercially reasonable as to the size, placement, and other manners of use.

ARG reserves the right to review and approve, in its sole discretion, Reseller’s use or intended use of the ARG IP at any time, without limitation. Reseller shall not create, register, or use any domain name or any mobile application that contains any ARG product name or trademark, nor a misspelling or confusingly similar variation of any ARG product name or trademark.

6. **Termination.** ARG reserves the right to terminate Reseller's status as an Authorized Reseller with written or electronic notice. Upon termination of a Reseller's status as an Authorized Reseller, Reseller shall immediately cease (i) selling the Products; (ii) acting in any manner that may reasonably give the impression that Reseller is an Authorized Reseller of ARG Products or has any affiliation whatsoever with ARG; and (iii) using all ARG IP.
7. **Modification.** ARG reserves the right to update, amend, or modify this Authorized Reseller Policy at any time. Unless otherwise provided, such amendments will take effect immediately, and Reseller's continued use, advertising, offering for sale, or sale of the Products, use of the ARG IP, or use of any other information or materials provided by ARG to Reseller will be deemed Reseller's acceptance of the amendments.
8. **Confidentiality.** This Authorized Reseller Policy, and its attachments, if any, constitute confidential, proprietary information of ARG and shall not be used for any purpose other than the authorized advertising and sale of the Products nor disclosed to any third party without the prior written consent of ARG.

ALLERGY RESEARCH GROUP LLC MINIMUM ADVERTISED PRICE POLICY

Effective Date: June 1, 2021

I. Purpose

Allergy Research Group LLC (“ARG”) has determined that certain advertising practices undermine ARG’s reputation, brand, goodwill, and premium image with its target consumer population and discourage its sellers from investing in the Allergy Research Group®, NutriCology®, Metabolic Maintenance® and MethylPro® brands and product lines and providing the best possible service and support to consumers. To protect the integrity of the ARG brands, ARG has adopted this unilateral Minimum Advertised Price Policy (the “Policy”), which applies to all authorized resellers of Allergy Research Group® and NutriCology®, Metabolic Maintenance® and MethylPro® branded products in the United States of America. This Policy supersedes all prior ARG policies or representations regarding minimum advertised prices or resale prices for the ARG products applicable to resellers.

II. Products Subject to MAP Policy

This Policy applies to advertisements of all ARG, NutriCology, Metabolic Maintenance, and MethylPro products listed for sale on the following URLs (collectively, the “Covered Products”), available at:

- **NutriCology:** <https://www.nutricology.com/products>
- **Allergy Research Group:** <https://allergyresearchgroup.com/products>
- **Metabolic Maintenance:** <https://metabolicmaintenance.com/collections/all>
- **MethylPro:** <https://methylpro.com/collections/all>

These product listings are available to all resellers and may be amended by ARG in its sole discretion at any time.

III. The Minimum Advertised Price

ARG is solely responsible for establishing the minimum advertised price (“MAP”) for each Covered Product and communicating the MAP to all resellers. The MAP for each Covered Product is equal to the manufacturer’s suggested retail price (MSRP) for that Covered Product.

While resellers remain free to advertise and sell all ARG products (including the Covered Products) at any price, it is a violation of this Policy for a reseller to advertise any Covered Product at a price lower than the MAP. This Policy does not constitute an agreement between ARG and any other entity. ARG does not solicit and will not accept any assurance of compliance with this Policy from any reseller or other party. Each reseller must choose independently whether to comply with the terms of this Policy. **This Policy is not negotiable and will not be altered for any individual reseller.**

IV. Advertising and Advertisements

The Policy applies to all “advertising” and “advertisements” and includes all promotional or pricing information of Covered Products displayed in any type of media, including, but not limited to:

- | | | |
|---------------------|--|---|
| • newspapers | • display ads | • television |
| • websites | • billboards | • sponsored links |
| • mobile/smart | • mobile ads | • ads in any other media in a digital format that is conveyed via the internet |
| • catalogs | • outdoor signage | • online product ads |
| • blogs | • product listing ads | • any other marketing or promotional materials, whether displayed online, through broadcast, or other media |
| • magazines | • seller-initiated text messages or emails to customers or prospectively | |
| • social media | • affiliate marketing networks/comparison shopping engines | |
| • banner ads | • phone applications | |
| • flyers | | |
| • brochures | | |
| • pay-per-click ads | | |
| • paid search ads | | |

The terms “advertise” and “advertisement” do not include:

- i. signage displayed within a brick-and-mortar selling location; and
- ii. pricing information displayed at the “final online checkout stage,” which is when the Covered Product is put into a shopping cart that contains the customer’s name, shipping address, email address, and payment information of a transaction. Pricing information in the “shopping cart” or “checkout” stages must be obscured technically so that it is not retrievable by shopping and pricing engines and not displayed on search page results within the reseller’s own website.

V. Policy Violations and Permissible Promotions

It is a violation of this Policy for a Seller to advertise any Covered Product at a price lower than the MAP. Direct or indirect attempts to circumvent this Policy also violate this Policy.

MAP advertisements that violate this Policy include, but are not limited to:

- A. Offering coupons, discounts, rebates, or other inducements that, when applied, result in a price lower than the MAP, including through use of a storewide sale, a category-wide sale, a promotional code, or other similar provision that can be applied to the Covered Products;
- B. Bundling Covered Products with other products or services (whether made by or provided by ARG or another entity) in a manner that implies below-MAP pricing for the bundled Covered Product;
- C. Strikeouts or strikethroughs of pricing information, “see price in cart,” or other statements that suggest a lower price for a Covered Product may be found at the “final online checkout stage” (as defined above);
- D. Permitting any third-party to alter the advertised price for any Covered Product; and
- E. Direct or indirect attempts to circumvent this Policy.

Until otherwise announced by ARG, advertisements that do not violate this Policy include:

- A. The advertisement of free or reduced-price shipping on a Covered Product, as long as such offer applies to all other products offered by a reseller in the same product category and the value of the free or reduced price shipping is reasonable;
- B. A coupon, coupon code, reseller rebate, or similar inducement that can be applied to a Covered Product, provided that such coupon, coupon code, reseller rebate, or other inducement: (1) applies to all products offered by reseller or all products offered by reseller in the same category as the Covered Product; (2) does not specifically refer to any Covered Product; and (3) does not provide a discount of more than twenty percent (20%) below the MAP;
- C. “Subscribe and Save,” “Auto-ship and Save,” “Repeat Delivery,” or other subscription or auto-replenishment loyalty discount programs which result in a discount below MAP, provided that such programs do not advertise a discount of more than ten percent (10%) below the MAP for the first purchase in the program, and no more than ten percent (10%) below the MAP for remaining purchases in the program; or
- D. Representations that a customer may “call for price,” “text for price,” or “email for price,” as long as no price is listed and no automated call, text message, or “bounce-back” email is used in response.

VI. MAP Holidays

From time to time, ARG may announce MAP holidays or promotions that are applicable to all resellers, during which periods a reseller that advertises a Covered Product in accordance with the terms of the authorized promotion will not be deemed to have violated the Policy. ARG will notify all resellers of any such authorized promotions, generally not fewer than thirty (30) days in advance.

VII. Noncompliance

ARG will take the following actions against any reseller that fails to comply with this Policy:

If Reseller violates this Authorized Reseller Policy, ARG reserves the right to terminate Reseller’s status as an Authorized Reseller effective immediately with written or electronic notice. Upon termination of a Reseller’s status as an Authorized Reseller, Reseller shall immediately cease (i) selling the Products; (ii) acting in any manner that may reasonably give the impression that Reseller is an Authorized Reseller of ARG Products or has any affiliation whatsoever with ARG.

This Policy will be enforced by ARG in its sole discretion and without notice. Sellers have no right to enforce the Policy.

VIII. Policy Administration

ARG may update, revise, suspend, terminate, reinstitute, or modify this Policy at any time in its sole discretion. Any such modifications will be made available to all authorized resellers. If ARG changes the MAP on any Covered Product, it will provide at least 14 days' notice to resellers before the changes are effective.

No ARG employee or agent is authorized to modify, interpret, or grant any exceptions to this Policy; solicit or obtain the agreement of any person or entity to comply with this Policy; or otherwise discuss any aspect of this Policy with any reseller, including any reseller's compliance with the terms.

Any questions about this Policy should be submitted in writing and directed to ARG's MAP Policy Administrator at MAP@allergyresearchgroup.com. ARG will not accept any other form of communication from resellers regarding the Policy.
