

## Crown Chandelier 3Lt Iron Gate

~~\$793.83~~

### Product Description

The new Crown range designed by Elstead Lighting is inspired by royal regalia and imagery from the UK royal heritage. Key features of the metal-work include unique hexagonal tubing and detailed fretwork bands, finished with a grey hand painted finish that includes a subtle water droplet effect. The range also benefits from compact heights, ideal for properties with lower ceilings.

**Please be advised that the expected lead time for the Elstead collection is 12-16 weeks, as the items are sourced from the United Kingdom. Please note that any requests for cancellation or alteration of orders will be subject to a 35% restocking fee.**
