

Beso Small/Medium/Large Pendant Light E27 in Brushed Steel/Dark Bronze Elstead Lighting - ELS.FE-BESO-P

~~\$536.12~~

Product Description

Description:

One Light Small/Medium/Large Pendant

The Beso lighting collection of pendants by Feiss is inspired by 1960's Scandinavian design featuring sleek, simple lines - offered in three sizes. The metal shades are offered in Black and Brushed steel finishes to create two distinctive looks. These pendant lights are fun and dramatic when hung as a single fixture and absolutely spectacular when grouped together in a multi-pendant lighting installation.

Please be advised that the expected lead time for the Elstead collection is 12-16 weeks, as the items are sourced from the United Kingdom. Please note that any requests for cancellation or alteration of orders will be subject to a 35% restocking fee.
