## FILAMENT LED G45 4W 4000K

SKU:A-LED-22104440

G45, fancy round LED retrofit globe, looks great in retro style, industrial and even contemporary style light fittings. The LED "filament" resembles a traditional halogen filament, giving a warm glow, greater light output and longer life, and is energy saving with lower energy consumption. This lamp is dimmable with most LED friendly dimmers.
