IF YOU DID NOT PURCHASE YOUR DEVICE FROM WARRANTY KILLER PERFORMANCE, WE WILL NEED YOUR VERIFICATION CODE. FOLLOW THE STEPS BELOW.

- 1) Plug your MPVI2, 2+, or 3 into your computer with the included USB cable.
- 2) Open VCM Editor or VCM Scanner.
- 3) In the menu bar, select "HELP > MPVI2/2+/3 Verification Code". The software will generate the code in a pop-up window.
- 4) Email your verification code to: calibrations@warrantykillerperformance.com
