

ELECTRIC FIREPLACE INSERT COLLECTION

CONTEMPORARY WARMTH

Zero-clearance electric fireplace insert models are CSA tested for safety, go with any room style, and are easy to use. They are cool to the touch but will add warmth to any space. With two size fronts this insert fits most sizes of existing masonry and zero clearance wood-burning fireplaces. Turn any traditional fireplace into an easy-to-use, clean, and efficient electric fireplace in minutes.

FEATURES:

- Firebox only – must order 36" or 42" Surround separately
- Designed for pre-existing fireplaces but can be installed in a custom cabinet or recessed into a wall
- Operating costs as low as a penny per day with flame and back lighting, and 9-18 cents per hour with the heater on
- Realistic-looking fire, logs, and ember bed— choose your flame intensity
- Faux brick background
- LED flame, log, ember bed, and background lighting
- 1500-watt heater— 100% efficient
- Full feature remote control
- Ultra-quiet 2 speed heater fan
- High impact tempered glass front
- Operates on standard 120-volt plug-in
- CSA tested and approved for safety
