CUSTOM PRODUCTS & LEATHER COLORS

We can customize the shapes, sizes, and hardware of many of our products. If there is something unique you're after, let us know the project details and we'll be happy to help.

Choose from 9 stock leather colors or we can PMS color match custom leather colors (100 unit minimum). Please allow 4-6 weeks additional lead time for custom leather colors.

LEAD TIMES

Most orders can be made in 1-3 weeks. We do make everything ourselves, so larger orders can take longer depending on materials needed and current job queue.
