TECH TIPS

PROFESSIONAL DETAILING PRODUCTS SINCE 1953

Malco has supplied the automotive industry with high-quality, professional-grade cleaning and detailing products since 1953. Through the help of our dedicated distribution network, Malco serves the automotive industry with over 150 specially formulated automotive solutions in more than 70 countries worldwide. This is why Malco is “The Detailing Choice of the Pros” and your most trusted automotive car care products partner.

The Malco product portfolio includes everything you need to maintain a vehicle inside and out. Product categories include degreasers, wheel cleaners, car washes, tire dressing, compounds, polishes and waxes, ceramic coatings, interior cleaners, and much more. No matter which product you choose, Malco offers professional detailers and automotive enthusiasts a wide selection of products that meet environmental demands, performance expectations, ease of use requirements, and deliver superior value.

I have been detailing cars since I was a teenager. As the grandson of Malco founder Murray Glauber, my passion for automotive detailing runs deep. I make it my personal mission to ensure all products in the Malco portfolio meet the high-quality standards my grandfather set when he developed Leather and Plastic Cleaner. While I have my favorite tried and true products (Cherry Flash and Clean & Shine) from the Malco portfolio, I am always working with the Malco team to develop the next generation of products that fit your needs.

If you are a current Malco customer, thank you for your continued support of the Malco Automotive brand. If you are a new customer just learning about Malco Automotive, we welcome you to the Malco family and look forward to helping you find the perfect product to fit your automotive detailing needs.

At Malco, family is the basis for everything, and we believe our employees, distributors, business partners, and customers are all part of the Malco family.

Sincerely,

Seth R. Glauber
President

THE MALCO ADVANTAGE

From interior to exterior cleaning, and all areas in between, Malco® Automotive has solutions to fit each of your unique detailing needs.

Heavy Duty Truck Wash #1063

Powerful powder cleaner removes heavy soils and rinses clean. Use in both hot and cold pressure washers. Safe for use on aluminum. Use 1.25 lbs. per 50 gal. of water.

Sizes Available	Color	Scent	Max Dilution	Safety
50 lb. - #106350	Blue	Powder No Scent	1.25 lbs : 50 gal H ₂ O	

SYSTEM 1™ CABINET

The System 1™ Cleaning Center keeps costs contained by providing highly effective, hyper-concentrated products in a usage-controlled manner.

Sturdy steel construction holds four five-gallon carboys. Locks for added security.

Cabinet Part # 800052

SYSTEM 1™ ENGINE DEGREASER

Cuts through grease, dirt and oil to leave surfaces clean and residue-free. Use on engines, wheels and whitewalls. One five-gallon carboy makes between 40 and 55 gallons of degreaser.

Size 5 gal. Part # 115405

SYSTEM 1™ 4 BUTTON DISPENSER

The System 1™ Four-Button Dispenser is perfect for mixing multiple dilution rates of the same cleaners, washes, degreasers, and dressings or mixing four different products.

1 GPM 813503
3.5 GPM 813504

SYSTEM 1™ SINGLE BUTTON DISPENSER

The System 1™ Single Button Dispenser allows for automatic proportioning of cleaners, washes, degreasers, and dressings into individual bottles.

1 GPM 813500
3.5 GPM 813501
8 GPM 813502

SYSTEM 1™ CAR SOAP CONCENTRATE

High suds car wash lifts and removes soils while lubricating brushes and wash mitts to prevent vehicle scratching. Rinses clean and leaves surfaces film-free. One five-gallon carboy makes approximately 900 gallons of car wash.

Size 5 gal. Part # 115705

SYSTEM 1™ DRESSING

Water-based silicone emulsion creates high gloss on interior or exterior surfaces without risk of tire sling or spotting. One five-gallon carboy makes 15 gallons of ready-to-use dressing.

Size 5 gal. Part # 121305

SYSTEM 1™ GLASS CLEANER CONCENTRATE

Cuts through dirt, grease and smoke film and leaves glass, chrome and stainless steel clean and streak-free. One five-gallon carboy makes 85 gallons of ready-to-use glass cleaner. Contains ammonia.

Size 5 gal. Part # 115505

EPIC® Paint Correction Kit #800213

EPIC® Paint Correction Kit contains everything you need to do a complete paint correction in less steps, less effort and achieve a brilliant finish!

Finish	Pad	Safety
10	EPIC Black Foam	

Tru-Grit® Heavy-Duty Compound #1200

Tru-Grit® Heavy-Duty Compound is a versatile buffing compound for automotive paint correction.

Sizes Available	Type of Buffer	Cut
32 fl. oz. - #120032 1 gal. - #120001	Rotary	7
Finish	Pad	Safety
5	White Wool, Heavy Cut (#810051)	

Super-Duty™ Heavy-Cut Compound #1276

Super-Duty™ Heavy-Cut Compound removes heavy scratches and oxidation from both clear coat and gel coat surfaces.

Sizes Available	Type of Buffer	Cut
32 fl. oz. - #127632 1 gal. - #127601	Rotary	8
Finish	Pad	Safety
5	White Wool, Heavy Cut (#810051)	

Tru-Polish® #1973

Tru-Polish® uses advanced abrasive technology to remove P3000 grit and finer sand scratches, car wash scratches, compounding swirls, and minor oxidation from most vehicle surfaces.

Sizes Available	Type of Buffer	Cut
32 fl. oz. - #197332 1 gal. - #197301	Rotary	4
Finish	Pad	Safety
9	Green Light Cut Wool (#810148) or Blue Foam (#810144)	

Buff Lite II™ Finishing Creme #1141

Buff Lite II™ Finishing Crème is a light compound that easily removes P2000 grit and finer sand scratches without producing noticeable swirls.

Sizes Available	Type of Buffer	Cut
32 fl. oz. - #114132 1 gal. - #114101	Rotary	5
Finish	Pad	Safety
6	Yellow Wool (#810147) or Yellow Foam (#810142)	

Swirl Remover #1902

Swirl Remover removes swirls from both fresh and cured painted surfaces and produces a clean, high-gloss finish that doesn't wash away. For optimal results, use with either a wool finishing pad or foam polishing pad.

Sizes Available	Type of Buffer	Cut
32 fl. oz. - #190232 1 gal. - #190201	Rotary	2
Finish	Pad	Safety
10	Blue Wool (#810168)	

Rejuvenator™ One-Step Paint Restoration #1117

Rejuvenator™ quickly and easily restores aged, oxidized, or environmentally damaged automotive paint. This one-step compound and glaze removes scratches and leaves a beautiful, glossy surface protected by a high-performance polymer film.

Sizes Available	Type of Buffer	Cut
32 fl. oz. - #111732 1 gal. - #111701	Rotary	5
Finish	Pad	Safety
8	Green Light Cut Wool (#810148) Green Foam (#810143) or Blue Foam (#810144)	

Nanocare® Polishing Creme #1283

Nanocare® Polishing Crème uses nano technology to produce a deep gloss and glass-like finish on aged, oxidized, or environmentally-damaged vehicle surfaces.

Sizes Available	Type of Buffer	Cut
32 fl. oz. - #128332 1 gal. - #128301	Rotary	2
Finish	Pad	Safety
10	Green Light Cut Wool (#810148) or Blue Foam (#810144)	

Accelerate #2610

One-step polishing compound designed to remove light to medium paint defects, while leaving behind a slick waxed surface. Can be used with orbital or rotary polishers with a variety of foam pads or by hand.

Sizes Available	Application Method	Cut
32 fl. oz. - #261032 1 gal. - #261001	Rotary, Orbital, or By Hand	3
Finish	Pad	Safety
10	Blue Foam (#810144)	

Metal Polish #1230

Metal Polish uses micro-abrasives to remove surface oxidation and oily stains from even the softest metals. Safe for use on chrome, aluminum, stainless steel, brass, copper, and other metals, this compound slows dulling and inhibits corrosion to leave metalwork dazzling.

Sizes Available	Application Method	Cut
16 fl. oz. - #123016	By Hand	N/A
Finish	Application Surface	Safety
Shiny	Chrome, Brass, Aluminum, Copper, Stainless Steel	

EPIC® CR2 Hydro Protect Ceramic Spray #1094

EPIC® CR2 Hydro Protect Ceramic Spray is a SiO2 Ceramic spray-on designed to shine, protect, and beautify a vehicle.

Sizes Available	Durability in Months*	Ease of Use	Type of Product

Low Pressure Wax			Shine (1944) @ 1:240 (Pink tip)
High Pressure Soap (Option 1 - Alkaline)			Touchless High (1943) @ 1:48 (Green tip)
High Pressure Soap (Option 2 - Neutral)			Clean (1940) @ 1:240 (Pink tip)

1 IMPERIAL™ TOUCHLESS LOW

Formulated for use in tunnels and touch-free automatics, this high-solvent low pH presoak is safe and effective. In addition to tunnels and touch-free automatics, Imperial Touchless Low may also be used in self-serves. 1:355

Size	5 gal.	Part #	194205
Size	30 gal.	Part #	194230

WARNING: Cancer - www.P65Warnings.ca.gov

2 IMPERIAL™ TOUCHLESS HIGH

Formulated for use in tunnels and touch-free automatics, this safe and effective high-solvent alkaline presoak provides superior cleaning at high pressure. In addition to tunnels and touch-free automatics, Imperial Touchless High may also be used in self-serves. 1:240

Size	5 gal.	Part #	194305
Size	30 gal.	Part #	194330

WARNING: Cancer - www.P65Warnings.ca.gov

3 IMPERIAL™ WHEEL & TIRE

Non-caustic, sodium hydroxide-free cleaner is safe for all wheel types including chrome, aluminum and magnesium. It uses powerful detergents to remove road grime, brake dust and brightens white walls and white letter tires. 1:17

Size	5 gal.	Part #	194505
Size	30 gal.	Part #	194530

WARNING: Cancer - www.P65Warnings.ca.gov

4a IMPERIAL™ CLEAN

Multi-purpose, high-foaming, deep-cleaning lubricant detergent with a pleasant apple fragrance. It is a combination of surfactant and solvent cleaners making it the choice for cleaning organic and inorganic materials. Imperial Clean also makes a great towel soap, wall cleaner and equipment degreaser and can be used as brush bucket soap, high-pressure soap or a foam brush soap. 1:240

Size	5 gal.	Part #	194005
Size	30 gal.	Part #	194030

4b IMPERIAL™ FOAMERS

Formulated as a paint polish and conditioner for triple foam applications with a pleasing cherry scent and siliconized Carnauba wax. Makes an impressive show of thick, rich suds wherever a foaming product is used or if a soap application requires additional foaming characteristics. Product rinses easily. Available in red, blue and yellow colors. 1:355

Red Foamer			
Size	5 gal.	Part #	194605
Size	30 gal.	Part #	194630
Blue Foamer			
Size	5 gal.	Part #	194805
Size	30 gal.	Part #	194830
Yellow Foamer			
Size	5 gal.	Part #	194905
Size	30 gal.	Part #	194930

5 IMPERIAL™ DRY

Contains siliconized Carnauba wax for a true wax protection. Its low spotting and fast beading drying agent reduces end of tunnel dry time. Non-petroleum formula means no oily film to create tunnel buildup. Grape scent. 1:355

Size	5 gal.	Part #	194105
Size	30 gal.	Part #	194130

6 IMPERIAL™ SHINE

A revolutionary silicone-fortified enhancer that can be used as a stand alone foaming protectant or as an additive in triple-foam applications. Foams like a soap and beads water like a wax. Pleasant lemon scent. 1:355.

Size	5 gal.	Part #	194405
Size	30 gal.	Part #	194430
