Layout area

The price of the design plan with 3D modeling is based on a maximum surface area of 400 square feet, including stairs. If the layout exceeds this area, a fixed fee of \$1.50 per additional square foot will be added to the \$1295.00 + taxes.

Steps

- 1 Prepare for the meeting by providing us with the necessary documentation by e-mail. A list will be sent to you.
- 2 Request measurements that cannot be obtained from the certificate of location (provided in step 1).
- 3 Modeling of house and backyard for future patio layout.
- 4 Telephone/videoconference or meeting in person at our showroom to discuss your project (approx. 2 hours)
- 5 Exchange of e-mails or additional phone calls if necessary for further information.
- 6 Design of complete layout plan*
- 7 Presentation of the project (in showroom or online) and handover of the paper document during the presentation (approx. 1 hour).
- 8 After the presentation, the customer is entitled to 2 throws of minor corrections to the plan. Minor corrections are: a change of color (floor, railings, columns, shutters, shingles or stain), a change of railing model or a change of privacy wall/paravent model. Any other correction that applies to a change of dimensions, layout of elements or change of concept is a priced change and will be billed at the hourly rate of \$75.00/hour according to the customer's request.
- 9 Provide a quotation for the work to be carried out in relation to the layout plan (if the customer decides to proceed with a construction mandate carried out by PurPatio.ca).

*Please refer to the following page for the complete layout plan.
