## Is it a ...? – bingo game

**Materials:** 2 x copies of the word grid: 1 cut up in a hat or container and 1 for the Bingo Caller, counters for players, individual player boards (enlarge if needed)

**Instructions:** The Bingo Caller takes a word out of the hat, reads it aloud and crosses it off the word grid. Players cover the word with a counter on their player board if they have that word. When all words are covered on a player board, the player calls out 'Bingo!' The Bingo Caller uses the word grid to check the winner's bingo card.

**Variation:** This game can be shortened by players getting 3 in a row.
