

PART A: Say the Sounds (Phoneme / Grapheme Knowledge)

- Point to the first letter and ask, *“Can you tell me the sound for this letter?”*
- If a student states the letter name say, *“that is the letter name, do you know the letter sound?”*
- Record responses on Progress Review - Student Record sheet.
- Mark errors below the sound on the Progress Review - Student Record sheet.

	spin		
Pseudo Words	san	nit	snat
	stap		

PART C: Writing Sounds (Phoneme / Grapheme Knowledge)

- Provide student with page 2 of the Progress Review - Student Record sheet
- Tell the student **“write the letter for each sound I say. Write the letter /.../”**
- Letter reversals are marked as correct, provided the reversed letter cannot be confused with another letter, for example /b/ and /d/.
- Observe and note student pencil grip, starting point and direction when forming letters.

t	a	s	n	i	p
---	---	---	---	---	---

PART D: Writing Words

- Provide student with Page 2 of the Progress Review - Student Record sheet.
- Tell the student **“Write the word /.../ remember to say the sounds as you write the word.”**
- A student may segment the word prior to writing (e.g., say each sound using their fingers).
- Reversals are marked correct, provided the student says the correct sound when writing or questioned. Note reversals, as a focus teaching point for the student.
