Good Beer

	ABV	IBU	POT	SCHO	PINT	JUG
HAWKE'S LAGER	4.2%	20	7.5	9.5	12.5	26

This refreshing lager is brewed to remind us all that you just can't beat the simple things in life.

It was Bob's favourite beer and we hope it becomes one of yours.

HAWKE'S PATIO PALE	4.5%	26	7.5	9.5	12.5	26
---------------------------	------	----	-----	-----	------	----

Inspired by Bob's favourite place to enjoy a cold one – the Patio (pronounced 'Paddio'). This tropical-style pale ale is best enjoyed outside or in deep moments of leisure.

HAWKE'S UNDERDOG SESSION LAGER	3.5%	26	7	9	11	23
---------------------------------------	------	----	---	---	----	----

Everyone loves an underdog. That's why Hawkie gave the nation the day off after we won the '83 America's Cup. Because when an underdog wins, we all win. So keep punching above your weight. Just like this delicately-hopped session lager.

HAWKE'S XPA	4.2%	26	8	10	12.5	27
--------------------	------	----	---	----	------	----

Grab the hammock, strip off your kit off & slip into leisure mode. It's XPA time at the Hawke's Brewing Holiday Park! Aromas of pear, orange and stone fruit will caress you into a dreamy haze of summers past, present and future. You're welcome.

HAWKE'S HALF XPA	1.75%	22	5	6	8	17
-------------------------	-------	----	---	---	---	----

With only half a standard drink in a tin, Hawke's Half XPA delivers big on flavour, while keeping things easy and breezy, not boozy. Perfect for when you're up for a beer but only half up for a drink.

Good Beer

	ABV	IBU	POT	SCHO	PINT	JUG
HAWKE'S RED RIPPER RED IPA	6.0%	55	8.5	11.5	14.5	31

Our ode to the great southern land of brews and fighting kangaroos. This big bold red IPA leads with jabs of cherry and berry with an uppercut of pine, before finishing you off with toasty toffee notes and just enough bitterness to wipe the slate clean and bring you back for another round. Rip in, mates!

HAWKE'S HEFEWEIZEN	4.7%	13	8.5	11.5	14.5	30
---------------------------	------	----	-----	------	------	----

Our Ninth One Hit Wonder - the Hawke's Hefeweizen!
With the German call for 50% wheat malt, the yeast delivers strong banana esters and light clove phenols, with a subtle malty sweetness. Expect a huge fluffy head that lets this hefe slide across the palate so you can sing and yodel from the mountaintops.

HAWKE'S LIGHT STOUT	1.5%	20	5	6	8	17
----------------------------	------	----	---	---	---	----

Take a taste journey to the lighter side of stout. This deceptively rich and flavourful glass of creamy, dark delight will treat you to everything you love about the style, but with a little less booze, as Head brewer Brodie says "it is a stout but with a little less shout".
