# Sports Turf - Elevate Series

MODEL: ST-ELEVATE-50

ELEVATE-50-5mm  
50oz Monofilament Polyethylene

The Athletic Textiles Elevate 50 sports turf is made with 100% monofilament polyethylene yarn; each leaf on the grass is now a 5600 denier; giving the turf excellent abrasion resistance and durability while providing superior softness to the touch.

The monofilament polyethylene yarn yields improved ball roll, excellent traction, no pile direction and feel great against bare skin in fitness and athletic use.

The Elevate 50 turf is an excellent choice for fitness, batting cages, PT clinics, Chiropractic and other athletic uses.
