Sports Turf - Sport Series

MODEL: SPORT-PRO-25

SPORT-PRO-25-5mm
25oz Monofilament Nylon

Sport Pro 25 is a nylon sports turf featuring a low pile height; designed for use on putting greens with a fast ball roll/stimp meter around 11. The Sport Pro 25 will endure long exposure to sunlight, high traffic of commercial use without losing durability and resisting traffic patterns. The spring set yarn provides a fresh look day in and day out.

The Sport Pro 25 may also be used in batting cages and fitness centers.
