

Natural Soap Spray

Cleaning and protection of oiled wood

Natural Soap is ideal for cleaning and maintenance of oiled, waxed and natural soaped surfaces. Natural Soap is a pre mixed quality soap, which due to its nourishing properties quickly closes the pores of the wood and protects against dirt and penetration of liquids. Natural Soap White is recommended for surfaces treated with white oil, while Natural Soap Natural is ideal for surfaces treated with natural or Colour Oil. The ready-mixed Spray makes the maintaining of oiled furniture, doors, table tops, panels, stairs, floors... easier.

- For regular cleaning
- Nourishing effect
- Suitable for toys
- Ready mixed
- Indoor climate labelled

Application area

For cleaning and maintenance of oiled, waxed and natural soaped surfaces.

Work description

Preparation

Very dirty stains can be cleaned with the WOCA Wood Stain Remover or WOCA Intensive Wood Cleaner.

Always Remember

Always remember to test on a less visible spot to check the compatibility of the surface with the product.

Treatment

Shake the spray well before use. Spray the Natural Soap on the surface. Wipe down the surface with a cotton cloth.

Please note

Use cloths with high cotton content. Don't use cloths containing microfiber only.

Drying time
