

Oil Refreshing Soap Spray

Ready to use revitalising natural cleaner for wood

Oil Refreshing Soap is for regular cleaning and maintenance of oiled wood surfaces. Oil Refreshing Soap combines efficient cleaning with re-oiling as additional oil penetrates into the surface and forms a matte protective layer on the surface.

- Protects and nourishes the wood
- Enhances the natural color of the wood
- Cleans and maintains the floor gently
- Leaves a protecting oil film on the wood surface
- Ensures maximum dirt and water resistance from day one
- Formerly named Oil Refresher.

Application area

For cleaning and maintenance of indoor wood surfaces treated with oil. Oil Refreshing Soap, Natural is typically used for natural, oiled and colour oiled surfaces and Oil Refreshing Soap, White for white oiled wood surfaces.

Work description

Preparation

Very dirty stains can be cleaned with the WOCA Wood Stain Remover or WOCA Intensive Wood Cleaner.

Always Remember

Always remember to test on a less visible spot to check the compatibility of the surface with the product.

Treatment

Shake the spray well before use. Spray the Oil Refreshing Soap on the surface. Wipe the surface with a cotton cloth or a blend of cotton/microfiber.

Please note

Don't use 100% microfiber.
