

# WOCA Water Based Finish Care Guide

## Daily/Weekly Cleaning

Sweep or vacuum area regularly.

### WOCA Commercial Soap or WOCA Master Cleaner

- For damp mopping with a mop and bucket, dilute 3 oz/gallon of water.
- For the WOCA Spray Mop, add 2 capfuls of Commercial Soap or Master Cleaner to the tank and fill with water.

### WOCA Home Hardwood, LVT, Tile & Laminate Floor Cleaner

- Spray and mop

## Maintenance

### WOCA Master Care

- Prep with WOCA Intensive Wood Cleaner and apply Master Care. Dry time: 2 hours.

***\*If the floor is factory finished, always comply with the manufacturer's care and maintenance instructions.***
