# The **AURELIO & ANGELO** Sofa Bed

---

Introducing the Aurelio and Angelo Sofa Bed - where comfort meets versatility! Featuring an easy-to-access sofa bed, you can officially say goodbye to uncomfortable sleeping arrangements. Just a simple transformation and you'll reveal a cozy 5" memory foam mattress, providing an unparalleled level of comfort. Adjustable headrests allow you to find the perfect angle of support for reading, lounging, or watching your favorite shows. In addition, Aurelio & Angelo are built to withstand the test of time, their durable wooden frames guarantee stability and resilience, making them an investment worth cherishing. They're not just sofa beds; they're statement pieces that will elevate any space.

### **DURABLE FRAME & MECHANISM**

A sturdy pine and plywood frame and quality metal mechanism ensures longevity.

### **ADJUSTABLE HEADRESTS**

Adjustable headrests can be easily lifted to provide more support for your neck and back.

### **EASILY ACCESSIBLE BED**

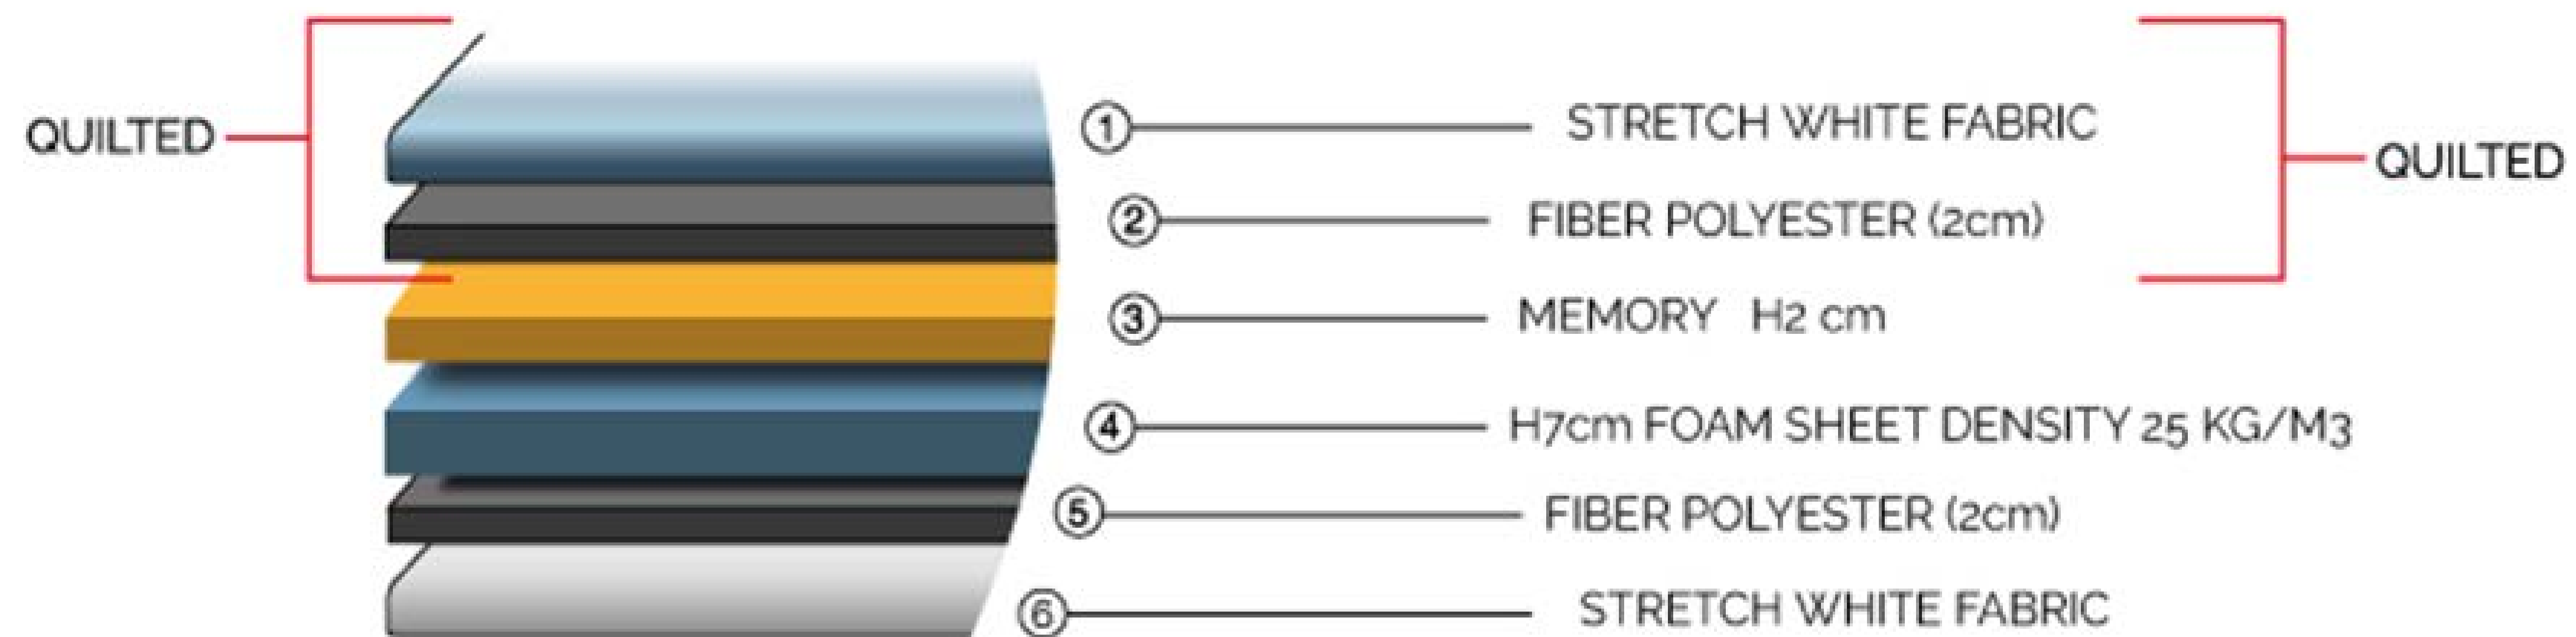

An easy-to-use mechanism allows for quick access to a comfortable 5in memory foam mattress.

# STILL NOT SOLD?

Here Are Some Advantages of a Sofa Bed!

## 1 Space Saving Design

Perfect for turning your apartment or small space into a versatile room for guests.

## 2 Just as Comfortable

Just because it's a sofa bed, doesn't mean you're sacrificing comfort for versatility!

## 3 Easy-to-Use

No need to dig up the old air mattress or give up your bedroom anymore!

## 4 Blends in Perfectly

When not in use, the sofa bed will seamlessly blend in with the rest of your home décor!

# CONVENIENT & Easy
