

GENERAL WARRANTY/REPAIR STATEMENT

PRO/CAM and other performance parts from Baker Engineering LLC. are intended for use in racing engine applications and are warranted to be free of defects in material and workmanship. It is the responsibility of the purchaser or engine builder to inspect all parts carefully before use and to follow the instructions provided with each item. Liability is limited to the repair or replacement of the defective part. Returns must be made before the part is used. Baker Engineering LLC. assumes no responsibility for labor, inconvenience, or damage to related parts. Credit, repair or replacement is predicated upon inspection of the parts by Baker Engineering LLC. prior to warranty services.

PRO/CAM FUEL SYSTEM WARRANTY/REPAIR POLICY

Baker Engineering LLC. will warranty PRO/CAM mechanical fuel pumps and regulators for defects in parts or workmanship within 365 days of customer purchase. Copy of receipt, with customer date of purchase, must be included with fuel pump or regulator returns or the warranty period will begin on the date of manufacture. Products must be returned to Baker Engineering LLC. for inspection before a credit is issued or replacement parts are sent. Normal wear and damage to fuel pumps or regulators from misuse, improper installation, or contamination will not be covered under warranty.

Beyond the warranty period, Baker Engineering LLC. will repair your PRO/CAM pump for a minimum fee of \$80.00. Replacement of major components such as the valve body or upper body will incur additional charges. Repairs must be authorized by the customer prior to disassembly.

Beyond the warranty period, Baker Engineering LLC. will rebuild your PRO/CAM regulator for a minimum fee of \$40. Replacement of major components such as the upper or lower body will incur additional charges. Repairs must be authorized by the customer prior to disassembly.

Shipping charges are the responsibility of the distributor or customer.
