ESTATE RANGE SHIRAZ

COLOR:

Rich red with ruby hues

NOSE:

Prominent bouquet of dark red fruits, cherry, mulberry, and raspberry, with undertones of subtle aniseed and spice.

PALATE:

Juicy and plump Shiraz with an intense fruity core—vibrant raspberry and blackberry flavours intermingled with licorice and subtle exotic spice.

VINTAGE:

An excellent vintage with beautiful ripening conditions, despite the late budburst. The 2022 vintage brought out some fabulous wines with awesome and intense flavour profiles. The reds were particularly robust, with beautiful, concentrated fruit.

WINEMAKING:

Fermented on skins for seven to ten days using a Burgundian style of yeast to ensure optimal colour and tannin extraction, before being assessed and delivered to the arrel. Maturation, including Malo-lactic fermentation in the barrel, gives layers of complexity to complement the fresh natural flavours. A combination of French and American-style barrels adds to the palate structure.

VINTAGE: 2022

ALC: 14.5%

STANDARD DRINKS: 8.9

CELLARING: < 10 years
