## **SOLI** **SAUVIGNON BLANC SEMILLON**

### **COLOR:**

Bright pale straw

### **NOSE:**

White flowers and zesty mandarine

### **PALATE:**

Exuberant tropical fruits, bursting with flavour. Guava, green apple, and passionfruit. Fresh mouthfeel with an intense core of citrus, plus hints of honeydew melon.

### **VINTAGE:**

A slow start to the summer predicted a later harvest; however, the conditions became optimal and allowed the grapes to ripen up beautifully with awesome concentrated fruit flavours. A smooth and successful vintage with some delicious flavour varieties.

### **WINEMAKING:**

Obtaining Certified Organic Qualifications in 2020, all estate fruits are grown under strict organic principles without the use of toxic chemicals.

The different varieties were all treated separately to enhance their individual characteristics and respect the fruit. Tank fermented with temperature control allows the ferment to remain cool and healthy, optimizing aromatics and freshness. After a few months settling in tank, the batches were blended and this classic SBS was created. What's more? It's organically grown and made, so you can feel good about drinking it too.
