SILVERLEAF CABERNET SAUVIGNON

COLOR:

Crimson red

NOSE:

Pungent and youthful aromatics burst out of the glass with a gorgeous mix of blue fruits, cherries, and plum.

PALATE:

Cherry and black forest fruits fill the palate with hints of dark chocolate, adding richness. A full-mouthfeel with fine-grained tannin, balanced fruit weight, and subtle oak influence adds notes of vanilla. A perfect barbeque wine!

VINTAGE:

The 2022 vintage had pristine conditions throughout the growing season. This allowed the grapes to ripen beautifully, with gorgeous concentrated fruit flavours on display, and the Cabernet Sauvignon is no exception.

WINEMAKING:

Various parcels of fruit came together to create this wine. The grapes were machine-harvested, crushed, and destemmed into stainless fermenters. The wine was carefully pumped over twice a day. Careful extraction and ageing in a mix of stainless vessels and barrels ensured a smooth drinking wine with plenty of character. Some oak influence was included with the staves in the tank.

VINTAGE: 2022

ALC: 14.5%
