SILVERLEAF ROSE

COLOR:

Light salmon

NOSE:

Pronounced, bright floral and red fruit aromas of raspberry and cherry, with subtle floral notes.

PALATE:

Refreshing, lively, and crisp summer fruits. Lemon and pink grapefruit give this wine a bright and fresh personality. Hint of raspberry and gooseberry, with a zingy and zippy acidity. It finishes nice and textural with apricot and nectarine.

VINTAGE:

A slow start to the summer predicted a later harvest; however, the conditions became optimal and allowed the grapes to ripen beautifully. A smooth and successful vintage with some delicious flavour varieties.

WINEMAKING:

Picked and fermented separately to respect varietal characters and allow for greater flexibility at blending time. After fermentation, individual wines were blended and fined before filtration and bottling. The wine is kept fresh in the tank until bottling. The bottling of this wine is done early to expect a young wine at full freshness.

VINTAGE: 2023

ALC: 12.9%

STANDARD DRINKS:

7.7

CELLARING: < 5 years
