## SILVERLEAF ROSE

### COLOR:

Bubblegum pink

### NOSE:

Beautiful, fragrant aromatics of citrus and cherry blossoms.

### PALATE:

There are ripe melons, citrus, apricots, and spiced pear, all intermingled. The palate continues with juicy melons and transitions into tropical fruits, with notes of apple and guava. A hint of sweetness and texture balances the freshness, leading to a mouthwatering finish.

### VINTAGE:

The 2024 vintage was one of the earliest on record, with a warm and dry summer. The growing season was optimal, allowing the grapes to ripen beautifully and produce flavourful wines!

### WINEMAKING:

This wine is a blend of Verdelho, Viognier, and Shiraz. Each variety was picked and fermented separately to preserve its varietal character and allow for greater flexibility at blending. After fermentation, the individual wines were blended, fined, filtered, and then bottled.

**VINTAGE:** 2024

**ALC:** 13.5%

**STANDARD DRINKS:** 8

**CELLARING:** < 5 years
