## SILVERLEAF SEMILLON SAUVIGNON

### **COLOR:**

Bright and clear straw

### **NOSE:**

Fresh and bright tropical notes with a hit of freshly squeezed citrus.

### **PALATE:**

Powerful citrus hit. Crisp, zesty, and refreshing, it is dominated by fresh citrus and tropical fruits that tantalize your taste buds. A hint of candied lemon sorbet and fresh lime to finish. A very popular wine for immediate enjoyment.

### **VINTAGE:**

The grapes, Semillon and Sauvignon Blanc, are machine harvested in the cool of the night, separately, over a few days. The viticulturalist looks for particular flavour profiles, from fresh lemon through to tropical.

### **WINEMAKING:**

Each variety is vinified separately to enhance their individual characteristics and give greater flexibility when blending comes along. Pressed into stainless steel vats to undergo an inoculated ferment with temperature control. Primarily aiming to keep the wine simple and fresh, allowing the fruit to shine for itself. 85% Semillon and 15% Sauvignon Blanc.

**VINTAGE:** 2023

**ALC:** 13.1%

**STANDARD DRINKS:**

7.7

**CELLARING:** < 5 years
