PHARMACY INFORMATION

As a benefit to our patients, we've partnered with Capsule to offer free same-day prescription delivery to our patients in NYC (all five boroughs) and Westchester; Hoboken, and Jersey City in NJ; and Greenwich and Stamford in CT.

How it works:

1. We send your prescription to Capsule
2. You will download the Capsule app on your phone
3. Capsule will text you within the hour to schedule free same-day delivery (your cell phone number must be your main contact number in our system)
4. Capsule will safely deliver your medication (if prior authorization from your insurance company is required, they will inform you, process the authorization, keep you updated on the status and will deliver once it is approved.

Please indicate if you would prefer to have your medications sent to an alternate pharmacy by listing your preferred pharmacy below with their address and phone number.

PATIENT FINANCIAL OBLIGATION

We are dedicated to providing the best possible service to you and regard your complete understanding of your financial responsibilities as an essential element of your treatment and care.

Out-of-Network and Self-Pay Patients: Payment is due at the time of service. As a courtesy to our patients, we will submit your paid claim to your insurance carrier. It is your responsibility to follow up with your carrier regarding your reimbursement. Patients should contact their insurance companies directly for any coverage questions they may have.

Other Bills: If you should undergo a biopsy, culture, or blood test in our office, your insurance carrier will be billed separately by the Lab. You will receive a separate bill from the Lab for any uncovered charges.
