

10" meat slicer

models : **GS1601**

FEATURES

- 7/16 HP air-cooled motor
- Adjustable slice thickness from 0 to 7/16"
- Built-in blade sharpener
- Removable carriage for easy cleaning
- Slices cold meats and cheeses
- 9.8" diameter stainless steel blade
- 6' power cord and plug

This is a great mid-range slicer that can support a steady-volume deli or sandwich-menu kitchen, or can augment an arsenal of slicers in a high-volume operation. It has a robust design with rubber feet and a low center of gravity that, all together, provide exceptional stability in use. Yet, its compact body is easy to pick up, carry and place where needed. Also features stainless-steel construction and a built-in blade sharpener for lasting performance.
