

Absorb and Deodorize Liquid Spills and Accidents

- Schools
- Amusement Parks
- Prisons
- Public Transportation
- Hospitals
- Churches
- Cruise Ships

Equipped for immediate deodorizing and absorption, this product is your easy, economical solution to those messy accidents. Sprinkle on any liquid odor source, sweep up and dispose.

Nilosorb granules are organic, non-toxic and biodegradable, making them user and environmentally friendly. Stain-proof and non-abrasive, **Nilosorb** will not harm woodwork, tile, linoleum, etc.

To eliminate odors and liquid accidents, simply sprinkle Nilosorb on wet area (allow absorption to occur), sweep up and dispose of waste in trash container.
