

SybraChem Alcohol Sanitiser Liquid 70%

A quick-drying sanitiser gel that provides immediate sterilisation without leaving a sticky residue on your hands. Use this product to supplement routine hand washing and drying. This product is ideal for use before handling food or working with patients, where absolute cleanliness is essential.

PROPERTIES

- Has no residual fragrance or harmful residue.
- Leaves hands feeling smooth and silky.
- Not sticky and non-greasy.

APPLICATION

Rub the hand sanitiser gel on hands while spreading evenly on the skin in a washing motion for approximately 1 minute to allow the formulation time to kill surface bacteria and evaporate naturally. Do not wipe off.
