SybraChem
CLEANING TECHNOLOGY

SybraChem Hand Grit Citrus

Formulated with orange oil, luxury moisturisers and polymer beads, this highly effective, citrus-scented gel hand cleaner is perfect for cleaning grease, oil and most ink stains off your hands.

PROPERTIES

•   Environmentally friendly and safe for household use.

•   Contains moisturisers to prevent your skin from drying out.

•   Polymer beads in the gel formula stop your drains from blocking.

APPLICATION

Recommended for use in workshops in the engineering, mining, and automotive industries where exposure to grease and oil is expected.

•   Apply a small amount of undiluted gel onto your hands and rub well for approximately 5 to 15 seconds (depending on the extent of dirt on your hands) and then rinse well with water. Repeat the application if necessary.
