

## SybraChem Tyre Shine

*A water-based tyre polish and cleaner blended with a silicone emulsion (for high gloss), surfactants, preservatives, and water.*

### PROPERTIES

- Prolongs tyre cleanliness.
- Protects and shines in one application.

### APPLICATION

SybraChem Tyre Shine can be applied to all makes of vehicle tyres. Pour a small but adequate amount onto a sponge or cloth, wipe onto a clean, dry tyre and allow to dry—no buffing required.
