

# LET'S MAKE A POTATODON!

## YOU WILL NEED:

- A paper roll
- Cardstock
- A pair of scissors
- A gluestick
- Colouring markers
- A grown up to help you!

## STEP 1.

Start by printing out Page 2 onto your cardstock.

## STEP 2.

Colour in the body pieces using your favourite colouring in markers.

## STEP 3.

With the help of a grown up, cut out all four body pieces.

## STEP 4.

Have a grown up help you cut out the slits for the Potatodon's head and legs.

## STEP 5.

Bend each leg and crease them backwards then forwards.

## STEP 6.

Next, take the rectangle body template and wrap it around the paper roll before you glue it into place.

## STEP 7.

Glue the tail onto the back of the Potatodon and attach its head on the front. Bend the bottom of the Potatodon's sail, then glue it onto its back.

Tada! You now have your very own Potatodon to play with!
