ABOUT LINESBYLIA

Linesbylia is a stationery brand based in Peekskill, NY.

Linesbylia was formed in 2021 when the whole world shut down. She decided to take up a small hobby while she was stuck at home 9 months pregnant. What started as a hobby has transformed into something far more beautiful.

Here at Linesbylia we strive to bring back the good ol days where there was always a card to read before you opened up your present. We hope our cards and products can help brighten up someones day a little bit more and bring us all closer together.

All my best,

Celia Garcia
Founder
