Additional fees apply. Call for quote.

Permanent markers erase with 70% Rubbing Alcohol

Installation is available upon request.
Additional installation fees apply.

Resurface your Chalkboards & Old Whiteboards - Add 10+ years of life, guaranteed.

(We can also resurface Cork Boards, Bulletin Boards, Tables, Desks, and walls covered in Whiteboard Paint)

Think Boards can be self-installed in 15-20 minutes per board, or hire our team for professional install.

Final trimming on-site. We ship the boards a few inches larger for ease of measurement and install.

The resurfacing film blocks out any previous discoloration or markings that won't erase.

Our Scratch-Proof and Sharpie-Proof finish will keep your Think Board erasing perfect for years!

Get the quality of a Porcelain Whiteboard or Glass Whiteboard for the cost of cheap Melamine Whiteboard.

(Saves you time and money installing the boards and cleaning them for years to come)

Eco-Friendly - Repurpose and retrofit existing infrastructure that was built to last.

Save the cost and hassle of an Asbestos Abatement. Simply apply directly over the chalkboard.
