Burning Beach Festival is the ultimate 2-day celebration of house and techno music, featuring world-renowned international DJs, set against the vibrant backdrop of Canggu's beach scene in Bali.

Prepare to be mesmerized by incredible artists like DJ Sven Väth from Germany, a charismatic and influential figure in the world of electronic music. Also gracing the stage is Deborah de Luca from Italy, a true trailblazer of techno with her closing acts, as well as other phenomenal talents like Stephan Bodzin, Ilario Alicante, Matthias Tanzmann, Melanie Ribbe, and many more. From melodic techno to heart-pounding beats, as the sun sets and the night sky sparkles, get ready for an electrifying dance floor experience, cooled only by the ocean breeze at Mari Beach Club.
