Wrist To  
Floor (cm)

Plot the player's height and wrist-to-floor measurement and use the intersection point to determine the static shaft length and color code recommendation.

Maroon  
5° Upright

Silver  
4° Upright

White  
3° Upright

Green  
2° Upright

Blue  
1° Upright

Black

Red  
1° Flat

Orange  
2° Flat

Brown  
3° Flat

Gold  
4° Flat

If the player's intersection point falls outside of the highlighted diagonal band, slide the new intersection point horizontally until it meets the edge of the highlighted band. Use this point for the most accurate length and color code recommendation.

-1 1/2"	-1"	-1/2"	Standard Length	+1/2"	+1"	+1 1/2"
151-155	156-160	161-168	Height 169-183cm	184-191	192-196	197-201
