

656498 Sizzix® Accessory - Dimensional Cutting Pad

Use the Dimensional Cutting Pad as the top pad in creating a Sizzix sandwich to run through the BIGkick, Big Shot or Vagabond machine. Move the pad around on your favorite Sizzix dies and create a hinge where desired. For best results, use pad with large or solid shapes. For more decorative possibilities, try the Dimensional Cutting Pad with Movers & Shapers Magnetic dies and Base Tray.
