

## About Us

In the lush heartlands of India, where the air is redolent with the fragrance of tea gardens in full bloom, the inception of Indian Royal Brew unfolded.

## What We Do

We view tea as more than a beverage; it's a journey. This journey begins in the lush fields where our tea is lovingly grown and culminates in the warm cups of our international customers. We aim to transform this journey into a narrative of discovery, indulgence, and connection, one cup at a time, worldwide.

## Indian Summer Green

Indian Summer Green Tea is a vibrant blend, perfect for any season. Crafted from organic Darjeeling Green Tea and infused with natural fruits and florals, it offers a delightful, slightly fruity flavour that's refreshing, hot and iced.

The green tea base provides antioxidants, while apple bits and lemon peels boost vitamin C. Hibiscus is known to lower blood pressure, and melon seeds offer essential nutrients. Marigold petals have anti-inflammatory properties, making this tea perfect for a healthy, revitalizing experience.

Lemon peels and hibiscus add a significant amount of vitamin C, aiding overall health
