

About Us

In the lush heartlands of India, where the air is redolent with the fragrance of tea gardens in full bloom, the inception of Indian Royal Brew unfolded.

What We Do

We view tea as more than a beverage; it's a journey. This journey begins in the lush fields where our tea is lovingly grown and culminates in the warm cups of our international customers. We aim to transform this journey into a narrative of discovery, indulgence, and connection, one cup at a time, worldwide.

INDIAN ROYAL BREW **PureEase Digestive Tea**

<https://www.indianroyalbrew.shop>

PureEase Digestive

Expertly formulated to offer relief from constipation and support digestive health. This tea blends the gentle laxative properties of Senna Leaves with various digestive-supporting herbs.

Ingredients and Flavors: This comforting blend combines Senna Leaves with the soothing effects of Green Tea, Peppermint, and Chamomile. Licorice and Triphala enhance the digestive benefits, while Hibiscus adds a tangy note. Fennel, Flaxseed, Fenugreek, and Lemon Balm contribute to the tea's overall digestive aid profile with their unique flavours and health properties.

Hibiscus and Flaxseed aid in hydration and natural detoxification processes

Health Benefits

- 01 Natural Laxative:** Senna Leaves gently stimulate bowel movements, aiding in relieving constipation
- 02 Soothing Digestive Aid:** Peppermint and Chamomile soothe the digestive tract, promoting comfort
- 03 Rich in Antioxidants:** Green Tea provides antioxidants, supporting overall digestive health
- 04 Balances Digestive System:** Triphala and Licorice help maintain a healthy and balanced digestive system
- 05 Anti-inflammatory Properties:** Ingredients like Fenugreek and Fennel reduce digestive inflammation and discomfort

Comprehensive Digestive Support: The blend of natural laxatives, soothing herbs, and digestive aids makes this tea an ideal choice for comprehensive digestive wellness and relief

Supports Gut Health: Regular consumption can improve gut health by aiding in regularity, reducing bloating, and enhancing nutrient absorption
