ACTIVGRIP

ACTIVGRIP 503 FULL DIP GLOVE

AG503

The ActivGrip™ 503 is specifically designed for work environments where 360° hand protection from mechanical hazards is required. A combination of a 13-gauge seamless liner and nylon jersey cuff enable the glove to fit the wearer's hands perfectly, increasing productivity. Soft yet durable MicroFinish® nitrile coating technology adheres to virtually any dry or slippery surface.

MICROFINISH™ nitrile double-dipped coating offers dexterity and better performance in wet, oily and dry conditions

Fully 360° dipped for superior water resistance

Advanced coating technology virtually eliminates strikethrough

Sizes 7-10

13-gauge seamless liner for a snug fit

Header carded for retail display

PERFORMANCE FEATURES

Oil Resistant

+ The ActivGrip™ 503 is specifically designed for work environments where 360° hand protection from mechanical hazards is required. A combination of 13 gauge seamless liner and a nylon jersey cuff enable the glove to fit perfectly the wearer's hands, increasing productivity. Soft yet durable MicroFinish® nitrile coating technology adheres to virtually any dry or slippery surface.

Confidence

+ With MicroFinish® technology, ActivGrip™ 503 promises its performance under dry, wet, and oily conditions.

Comfort

+ A 13-gauge seamless liner and ergonomic design assures maximum comfort and minimum hand fatigue
