ACTIVGRIP

ACTIVGRIP 566 GAUNTLET GLOVE

AG566

ActivGrip™ 566 is specifically designed for the working environment where 360° hand protection from mechanical hazards is required. A 15-gauge seamless liner offers not only flexibility but durability; increasing productivity and safety. Towa's soft yet durable MicroFinish® nitrile coating technology adheres to virtually any dry or slippery surface.

Oil resistant—superior protection to oil penetration

Double coated surface keeps hands clean for oily handling

Grippy—a secure, firm grip is guaranteed with MICROFINISH™

Durable—the properties of nitrile enable the gloves to resist punctures and abrasions strongly

Comfort—15-gauge seamless liner and ergonomic design assure maximum comfort and minimum hand fatigue

Sizes 7-10

Header carded for easy hang-sell display

PERFORMANCE FEATURES

Oil Resistant

+ Unlike similar gloves in the market, ActivGrip™ 566 offers better protection against oil penetration. The double coated surface keeps hands clean for oily material handling.

Grip Performance

+ With MicroFinish® technology, a soft yet durable nitrile coating promising performance under dry, wet and oily conditions.

Comfort

+ A 15-gauge seamless liner and ergonomic design assures maximum comfort and minimum hand fatigue.

COLOUR

+ Green

SUITABLE FOR

- + Automotive
- + Machine operation
- + Oily material handling
- + Maintenance
- + Fisheries
