ACTIVGRIP

ACTIVGRIP LITE HI-VIS GLOVE

AGL

ActivGrip™ Lite takes Towa's already impressive line of premium industrial gloves a step further into the future. The ActivGrip™ Lite is specifically designed to provide maximum all-round performance for slippery grip applications in non-hazardous chemical environments. The 13-gauge seamless woolly polyester liner and open back styling provide excellent coolness and flexibility, minimising hand fatigue and increasing productivity. Soft yet durable latex coating technology grips to virtually any dry or slippery surface.

Soft yet durable Towa MICROFINISH™ coating technology adheres to virtually any dry or slippery surface

Extra coating of thumb area for additional safety

13-gauge seamless liner and ergonomic design assures maximum comfort and minimum hand fatigue

Sizes 7-11

2131 2131X
