

NIGHTSTICK HELMET MOUNTABLE FLASHLIGHT

EIT-GFL

This Flashlight is cETLus, ATEX, and IECEx listed Intrinsically Safe for use in both above and below ground hazardous locations where explosive gases and dusts may be present. Uses a CREE® LED rated at 200 lumens that works with a deep parabolic reflector to create a 143 metre flashlight beam. The tail switch provides momentary or constant-on functionality. Meets the requirements of NFPA-1971-8.6. Power comes from 3 AA premium batteries. The mount can be attached to either side of the helmet to provide hands-free illumination. Additionally, the user can set the angle of the mount through 140 degrees of adjustment to provide clearance around face shields, goggles or other helmet-mounted equipment.

Can be hand-held as a flashlight or fitted to a helmet using the mounting options supplied

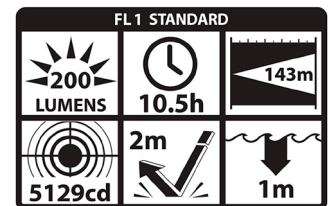

cETLus, ATEX, and IECEx listed intrinsically safe for use in both above and below ground hazardous locations where explosive gases and dusts may be present

Mount can be attached to either side of helmet

Mount allows for clearance around face shields, goggles or other helmet-mounted equipment

PERFORMANCE FEATURES

- + Can be hand-held as a flashlight or fitted to a helmet using the mounting options supplied
- + cETLus, ATEX, and IECEx listed intrinsically safe for use in both above and below ground hazardous locations where explosive gases and dusts may be present
- + Sharp focused flashlight beam rated at 200 lumens working with a deep parabolic reflector to give illumination up to 143m
- + Lumen output: 200
- + CREE® LED technology, 50,000+ hours LED life
- + Momentary or constant-on flashlight

- + Fits virtually all fire helmets and hard hats
- + Mount can be attached to either side of helmet
- + Mount allows for clearance around face shields, goggles or other helmet-mounted equipment
- + Dustproof/waterproof
- + Impact and chemical resistant
- + Meets Requirements of NFPA-1971-8.6 (2013)
- + 3 AA batteries (not included)
- + Limited Lifetime Warranty

SUITABLE FOR

- + Emergency services
- + Utility maintenance
- + Tradespeople
- + Airports
- + Security
- + Factory
- + Recovery
- + Hazardous locations
